

Norwegian Cruise Line is the innovator in cruise travel with a 48-year history of breaking the boundaries of traditional cruising, most notably with the introduction of Freestyle Cruising which revolutionized the industry by giving guests more freedom and flexibility. Its 14 Freestyle Cruising ships provide guests the opportunity to enjoy a relaxed, resort style cruise experience on the youngest and most contemporary ships at sea. Recently, the line was named "Europe's Leading Cruise Line" for the seventh consecutive year, as well as "Caribbean's Leading Cruise Line" for the second time and "World's Leading Large Ship Cruise Line" by the World Travel Awards. Freestyle Cruising challenges the conventional model of cruising and is designed to meet the changing needs of today's cruise passengers.

ACCOMMODATIONS

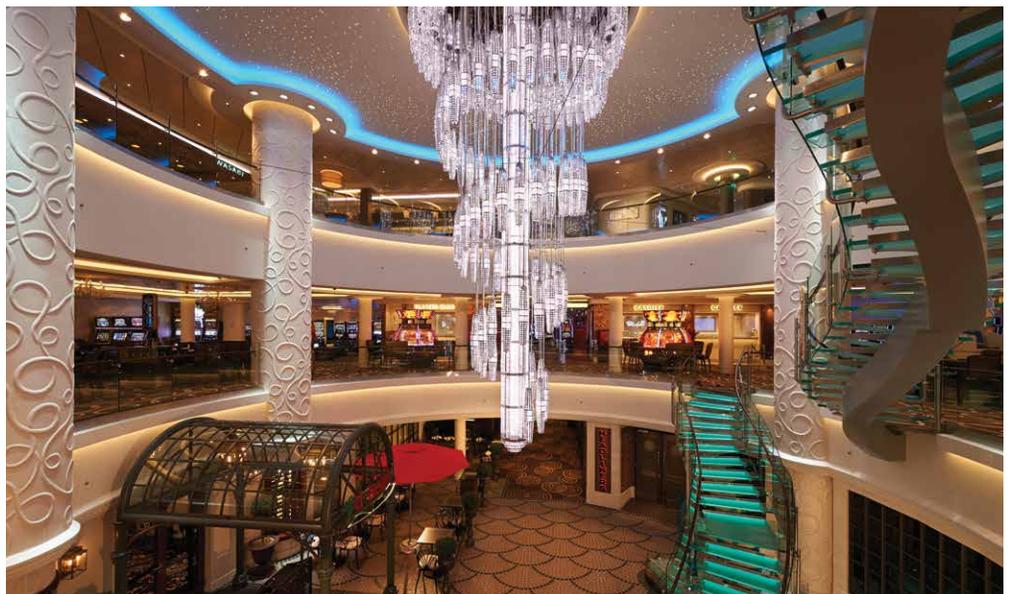

Norwegian offers several accommodations to suit whatever guests have in mind. Hidden away at the top of the ship is The Haven by Norwegian, an exclusive enclave with the most luxurious, well-appointed and spacious accommodations. Not only will guests have access to all the ship has to offer, they will enjoy the personal service of a 24-hour butler and concierge throughout their entire stay. Norwegian's array of well-designed Penthouse Suites, Mini-Suites, Balconies, Oceanviews, Insides and Studios allow guests to choose and embrace their personal space.

DINING & RECREATION

Guests will find more dining options than days of their cruise, and they are free to enjoy them all on their own schedule. Offering both complimentary and specialty dining options, guests can choose whether they want to sit down to a four-course meal and a fine wine or grab a burger hot off the grill, dress up or dress down and sit with their friends or make new ones. Freestyle Dining accommodates guests' every desire. Freestyle Cruising means a huge range of exciting events and activities. Regardless of guests' ages or preferences, all Norwegian ships have something to keep guests entertained, with award-winning entertainment every day and every night.

ALL-INCLUSIVE BENEFITS

Due to the all-inclusive nature of cruising, companies can save approximately 30% compared to a land-based program. Knowing your cost up front allows full budget control. No need to budget for audiovisual, function space, or entertainment – it's included. Reallocate these funds to other events or just drop the savings to the bottom line. Norwegian Sky is truly all-inclusive with Ultimate Beverage Package included on all sailings. Option to add beverage packages to your program on the rest of the fleet.

RECREATION

Groups can take part in a wide range of entertainment activities on board. Here are just some of the options available: rock climbing, ropes course, or bowling; 24-hour fitness center; yoga, Pilates or, spinning; full-service spa; multiple swimming pools, whirlpools and waterslides; basketball and volleyball; duty-free shopping; dance classes; full casino; cooking demonstrations; wine tasting; live entertainment and Broadway productions.

SERVICE

There is a dedicated Corporate Meeting & Incentive sales and service team to guide you through the sales and planning phases. A cruise provides a staff-to-guest ratio much higher than most resorts – providing the highest service standards. Your group will receive attentive and personalized service throughout every venue on board. Once on board, the group service coordinator works with you to ensure all details of your program are taken care of.
